IL CASTAGNO

POLTRONA | ARMCHAIR

by Vito Lupo

La particolarità di questo imbottito risiede nella lavorazione a doghe della seduta e dello schienale. Questo dettaglio grafico riprende le lavorazioni delle preziose tappezzerie delle auto d'epoca. La cornice in legno, che si sviluppa lungo tutta la silhouette, e il particolare tipo di lavorazione a "saponetta", riprende i lussuosi dettagli del car design di grandi marche automobilistiche. Il basamento, anch'esso in legno, completa il quadro stilistico e consegna un prodotto curato, prezioso e di stile.

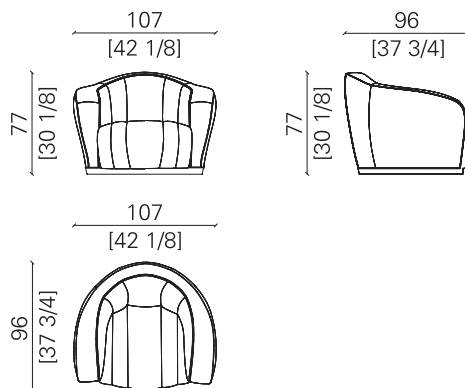

The outstanding feature of this upholstered set is the slat motif shown on the seat and the backrest. This graphic detail recalls the workmanship of the exquisite upholstery of classic cars. The wooden frame, which develops along the entire silhouette of the sofa, and the particular type of workmanship recall the deluxe details of the car design of great automotive brands. The base, also in wood, completes the stylistic picture and delivers a refined, valuable, and stylish product.
