IL FRASSINO

DIVANO | SOFA

by Fabio Crippa & Joe Gentile

Come in una soffice culla si viene avvolti da un caldo abbraccio attraverso l'imbottitura in piuma dei cuscini strutturali. Il rimando alle lavorazioni artigianali di borse e oggetti di alta moda è evidente. Il basamento in ottone lucido dona un senso di stabilità e conferisce valore al manufatto. La particolarità di questo imbottito è il senso di morbidezza che si percepisce sia visivamente che al tatto.

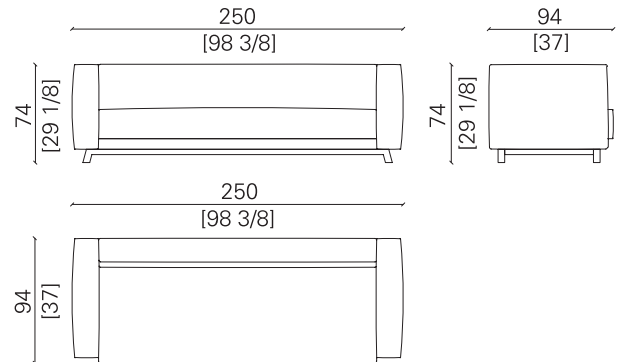

The down-filled upholstery makes you feel as if you were in a soft cradle, wrapped in a warm embrace. The reference to the craftsmanship of handbags and haute couture is obvious. The polished brass base lends a sense of stability and enhances the value of this upholstered set, which is further emphasized by the extraordinary softness that is perceptible both visually and to the touch.
