LE TAMERICI

GRUPPO LETTO | BEDROOM FURNITURE

by Fabio Crippa & Joe Gentile

Il rivestimento in pelle "abbraccia" le strutture dello scrittoio, del comò, dei comodini e della toeletta. Questo elemento decorativo si ritrova anche nelle lavorazioni di facciata dei cassetti, creando un legame visivo ed emozionale con la testata del letto. I masselli dei piedini e delle cornici esaltano le lavorazioni dell'essenza lignea e donano eleganza al manufatto.

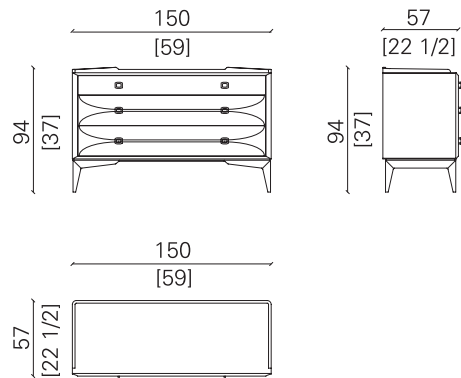

The leather cladding "embraces" the structures of the writing desk, the dresser, the bedside tables, and the dressing table. This decorative element is also found in the workmanship of the drawer fronts, creating a visual and emotional link with the bed's headboard. The solid wood feet and the frames highlight the workmanship of the woods and lend elegance to these pieces.
