IL TIGLIO

POLTRONA | ARMCHAIR

by Fabio Crippa & Joe Gentile

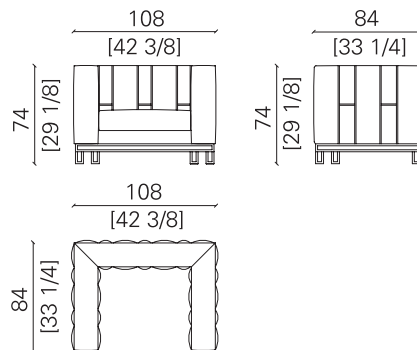

Il bugnato memore di architetture gentilizie caratterizza la trama di questo imbottito. L'evocazione si esplicita nella lavorazione a matelassé della scocca e il dettaglio grafico rimanda alle trapuntature classiche dell'artigianato tessile. Nel caso specifico, le bordure riprendono i caratteri cromatici della scocca, regalando un quadro d'insieme coerente e continuo.

This upholstered set is characterized by a texture reminiscent of the rustication found in ancient aristocratic architecture. The suggestion is expressed in the matelassé leather of the body, while the pattern created evokes a classic stitching technique used in the textile arts. In this specific case, the throw pillows pick up the colors of the body, rendering a coherent and uninterrupted overall picture.
