IL CORBEZZOLO

POLTRONCINA | SMALL ARMCHAIR

by Fabio Crippa & Joe Gentile

Nella poltroncina i rimandi alla moda sono evidenti grazie alla scelta di alcuni dettagli. La cerniera in ottone cromato nero che si estende su tutto il suo profilo conferisce al prodotto un'eleganza e suggerisce la forma di una borsa di alta moda. Le quattro gambe a sciabola esaltano il tema della linea infinita che si sposa bene con le forme femminili della poltroncina. La base sottile ed essenziale slancia la scocca di seduta e ne valorizza il tratto plastico.

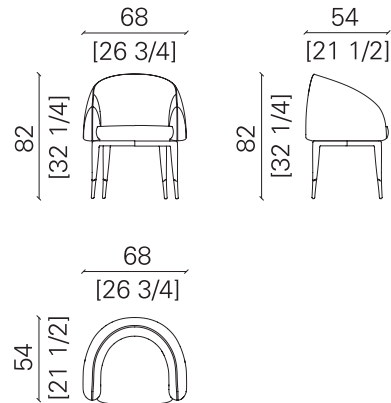

In this armchair, references to fashion are explicit, thanks to the choice of some details. The black chromed brass zipper that extends along the entire silhouette lends elegance, suggesting the form of a high-fashion handbag. The four saber-legs highlight the theme of the infinite line that perfectly fits the feminine forms of the armchair. The slim and essential base streamlines the seat and emphasizes its harmonious lines.
