GRUPPO LETTO | BEDROOM FURNITURE

by Fabio Crippa & Joe Gentile

La forma discreta e avvolgente rimanda ad atmosfere di sapore antico. La morfologia di questi prodotti vuole reinterpretare, nei mobili, le linee architettoniche ovali ed ellittiche così sapientemente espresse nella cultura barocca. La scocca rivestita in pergamena ne esalta la curvilinearità e crea suggestivi giochi di tramatura. Le gambe sottili e alte con puntali in metallo valorizzano la sobria eleganza di questo prodotto. L'incastonatura di un top in onice completa il comodino e dona armonia ed eleganza. Per la toeletta vi è l'aggiunta di uno specchio, anch'esso di forma ellittica, montato su un supporto a forcella che permette un'oscillazione longitudinale.

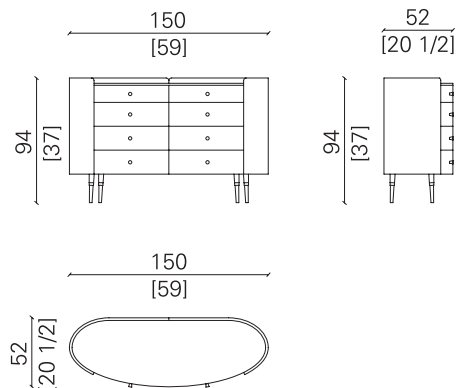

The unobtrusive and enveloping form hails from afar. The morphology of these products aims to reinterpret in the furniture the oval and elliptical architectural lines so skillfully expressed by the Baroque culture. The structures are covered with parchment, which highlights their curved lines and creates interesting textural effects. The slender, brass-tipped legs emphasize the sober elegance of this line. The inlaid onyx tabletop completes the bedside table and creates an harmonious and elegant look. The Dressing table includes a mirror, also elliptical in shape, mounted on a forked support that allows it to be tipped up or down.
