POLTRONA VIS-À-VIS | VIS-À-VIS ARMCHAIR

by Fabio Crippa & Joe Gentile

La scocca a tulipano con i fianchi alti e larghi offre una seduta comoda e avvolgente. La lavorazione a capitonné, in contrasto con lo schienale liscio e continuo, crea un affascinante contrasto materico tra interno morbido e accogliente ed esterno rigido e continuo. Il profilo segue una linea ondulatoria continua e ne determina la caratteristica silhouette. Nella poltroncina Vis-à-vis queste linee sono esasperate e creano un gioco intimo ed intrigante.

The tulip-shaped body with the high and wide sides offers a comfortable and cozy seat. The capitonné padding, in contrast with the smooth and continuous line of the backrest, creates a fascinating material contrast between soft and welcoming inside and a rigid and continuous outside. The profile follows a continuous wavy line and determines the distinctive silhouette. In the Vis-à-vis armchairs these lines are exaggerated and create an intimate and intriguing effect.
